Sir,

I am commanded by the Army Council to acknowledge the receipt of your letter No. 5899/1915 of February 12th 1915.

In reply I am to inform you that Lake Magadi is situated in the immediate area of military operations, and that the Council are of opinion that the return of the German Electrical Engineers and workmen mentioned in the application from Messrs M. Samuel and Co would be undesirable.

Under the circumstances, it is hardly considered necessary to communicate with General Wapshare on the subject.
