(Co/1774/14 8AD)

I think the case is rather up.

? to P.S. to see these minutes
and to find out more about the
Clark's vacancy (v.f. Co/1774/14)
[from minutes in 1886 it appears that
early in May Mr. Fuller was in
Couch with a man named Wright
and the Admiralty were being
consulted]

H.S.D. 16.6.14

Mr. Patterson
The Admiralty should be asked the
question of a man named Wright
who is thought to have helped us in the
past up to the point of the 1886
to be inserted in the v.f. I think
that the man is the same as the Clark's
vacancy and the account for the present
for the Clark's vacancy see Co/1774/14
below. The P.S. is in touch with a man
named Fuller and we are asked
to return.

Mr. Fuller has talked to Mr. V. Russell
and would be prepared to accept an
abd. but he will have to go on
a long voyage in order to obtain his
Master's certificate from the last letter
dated 27/11/13 (P.S. 14/14) He would
be ready to go.

The monthly price is £100 to write
to the P.S. on this paper with ref to
3/11/13 435/42/13 asking for an explanation
of the '6' vacancy referred to in that
doc. as there appears to be only
5 vacancies on the 8.13. Say that the
1885

Post is inclined to assume that there
are vacancies altogether viz 5 on 1st
and 1 on 2nd (Clark's vacancy) and that
20 for 5 new men have been applied
and ask how many more, if any,
are required - telegraphic reply.

and? Mr. Fuller should be told that
there is no vacancy at present but
that there may be one if he applies
in 6 weeks time when he has his
Master's Certificate.

H.S.D. 16.6.14

Mr. Patterson
I am sorry but I am not certain
that Mr. Fuller is going to get his
Master's certificate in any case or only
if he has a good prospect of getting
it.

16.6.14

Mr. Patterson

I am sorry but Mr. Patterson
