For your approval please of the transfer of Mr. C. P. Battiscombe from West Africa to East Africa.

Mr. Battiscombe's appointment to West Africa was recently submitted to you and approved, it being understood that he was prepared to go to West Africa, but he now states that he is only a candidate for East Africa. Two or three further vacancies have occurred in East Africa, owing to candidates already selected having volunteered for the War and it is, therefore, now possible to meet his wishes.
