No Retention of ~~Medical Officers~~
Re-Read

This is a dreadful business. I feel
sure that Somaliland with only one
effective M.O. in the R.S.C. is far
worse off than East.

Point of fact.

Your tel. of 19 Feb. agrees with Rudhope
not being sent Somaliland for the present
but trust you will be able to send
him if and when the best medical
officers can be secured for East.

I presume that if a W.A.H.s officer is willing to go to Somalia and I can be spared for the purpose, he would be equally acceptable with an E.A.P. officer?

No. 43. Your telegram 17th February trust you
 will not insist on Tudhope leaving at present. I have
 been Tadmira entering into negotiations with two
 local medical men with a view to release two
 Protectorate medical Officers for military duty.
 One of the latter is accompanying column to Marti.

9 March 1946

Sir,

With ref. to my letter

of March 8th, I have
been to inform you that
I should be glad if you
could make arrangements
for a medical officer of
the EdP to be sent
temporarily to Sanjibar,
where there are two
vacancies for medical
officers, which cannot
I fear, be filled from
home in present circumstances.

I trust that it
will be possible to transfer
