~~Admiral~~ Dr. J. Fielder

C. have spoken to Gray, Daves
& (C) - & have inf'd that
we may take it as certain
that the B.S. boat will be
requisitioned for other purposes -
& that the B.S. will not
replace her by another boat
on the 19th.

We must \therefore let all the
men (-to 1st class including
Bontly; and 2 2nd class)
know that the instructions in (C)
letters 5th or 6th and as to
sailing on the 19th are
cancelled.

It must ^{now} be decided
(1) whether we shall try any
other route - e.g. U.K. via
the Cape (wh. we cover
Nymphaeum ~~course~~ as well)
or the agencies & via Suez -
or (2) whether we shall leave
the whole thing alone, telling
the men that their departure
is postponed until further
notice - carrying on with
full pay for any men who are

unable to return when there
have ceased :: of steamers not
sailing -

51
C.A. should be inf^d of our decision,
+ I think we can best deal
w. the situation by telling men as
at X - but laying it upon C.A.
to ascertain + inf. us of all
sailings to Mombasa or Chinde
by British or French boats
as soon as they can obtain
reliable infⁿ.

Dear Sir,

I am directed to inform you that it is possible that it may be found necessary, in the interests of the public service, to require you and certain other officers on leave to return to your duties in ~~East~~ Africa in the immediate future.

So as to make You should therefore make all necessary preparations to leave this country at the shortest possible notice.

~~If the event of it being necessary to~~ request you to return to East Africa at once the ~~Colon Agents for the Colonies will be simultaneously notified, so that it will be unnecessary for you to~~ apply to them for your passage ticket.

You should acknowledge the receipt of this letter immediately, at the same time furnishing an address to which communications requiring an immediate answer may be sent in the near future. Any alterations to the address are to be communicated without delay.

Yours faithfully,

W.B. Stowley

Have discussed with you the question
of sending back notes to Ed. by
the Briton on 10th October. You agree
that 15th November might be taken
as a convenient date from which
to work - i.e. men whose leave expires
on or before 15th November should be
sent by the Briton.

Omitting men who are not
medically fit to return yet we have
(acc. to accompanying list Ch. S.O.)
have been good enough to compile) :-

McCall, J.S.J. (3525 Ed) He is to go via

Cape Town Johannesburg Delagoa
Bay on the 22nd Oct. from S.O.
by the U.K. mail steamer.

There is no presumably no
guarantee that he will find a
concern at Delagoa Bay
in any case - no so far as
we know that there will be a
steamer on the 22nd Oct.

? He will go by "Briton" to Capetown
& carry out his work in S. Africa
proceeding from Delagoa Bay
at first opportunity that offers.

Harper, R.G. (3736 Ed) already told that
he will go by "Briton".

But now
see below -
of suggested
action is apt?
W.B. Stowley
that he is res-
ponsible for
making sure
that all boats
he sent will
suit for S.A.?

all

Jackson, W.B. (3188 EA) - ~~was~~ ~~boarded~~
for ~~St. Stephen's Castle~~ will
have been told by A.C.
that he will go by the Briton.

Trinn, E.W. (1277 EA) - Already told
that he will go by "Briton"

Dean, H.E. (3417 EA) Told ourselves that
we may have to go by "Briton"
quite glad to do so.
? He shd be told officially
to go by this boat.

MacDonnell, J.H. (3903 EA) - Reported
by Mac Jit to return at end of
leave (23 Oct.), but we may
take this as good enough for
10 Oct. ? I send train by
the "Briton" ?

Kingdon, D. (337 EA) Proposes to be
married 2nd week October to
his wife and to Uganda.
Have calculated accordingly
to enable him to return by
"Gaitan" 29 Oct. (1st class) and
5 Nov. (M. class). W. occurs
time that he might have a
little more honey moon in the
form of ? ask him by

2nd class

(action required
in file)

But was see
below:

W. Kingdon
shd be warned
that he will
best travel
in inland
a

2nd class

Ret. whether he could manage
to have by Briton label
as later arrangements very problematical
(reply paid E.C.) - receiving
birth provisions

MacMullen, E.H. (388 EA)

? He shd go by the "Briton"

Strong, J. (3171 EA)

? He shd go by the "Briton"

Mason, C.J. (3904 EA)

? He shd go by the "Briton"

Williams, J.H. (1139 EA)

? He shd go by the "Briton"

Hays, M.W. (3902 EA)

? He shd go by the "Briton"

Smith, G.D. (882 EA)

? He shd go by the "Briton"

Atkins, H.T. (4086 EA)

Has been told to ascertain from
whether any 4 Dec. will post
9 Oct.

? He shd go by the "Briton"

Pearson, R.W. (6093 EA)

This depends on med. report wh. may
be completed tomorrow if not

Johnson, W.B. (317 EA) - man booked

for Klarnstephan Castle - will have been told by A.C. that he will go by the Briton.

Travis, E.W. (1277 EA) - Already told that he will go by "Briton"

Dean, H.E. (347 EA) - Told ourselves that he may have to go by "Briton" - quite glad to do so.

? He shd be told officially to go by this boat.

MacDonnell, J.H.G. (3903 EA) - Reported by Mac Pitt to return at end of leave (23 Oct.), but we may take this as good enough for 10 Oct? & send him by the "Briton"?

Kingdon, D. (337 EA) - Proposes to be married 2nd week October & take wife out to Uganda. Leave catered accordingly to enable him to return by "Gairlea" 29 Oct. (1st com) and 5 Nov (M. cables). It occurs to me that he might have a pleasant honeymoon in the East. Ask him by

2nd class

(action report in file)

But was see below:

Not Kingdon and he wants that he will best be in England

2nd class

Ed. whether he could manage to have by Briton coast as later bookings very problematical (reply paid Ed.) - meaning berth presumably.

MacMullen, E.R. (388 EA)

? He shd. go by the "Briton"

Strong, J. (3171 EA)

? He shd go by the "Briton"

Mason, C.F. (3904 EA)

Have put out these details,
Ed. Allen

I have been talking to Ed. Allen
and just discussed matter with
the U.C. -

① that U.C. can give us
10 1st class berths on "Briton"
(it necessary the regulation A3)
+ no 2nd class berths.

② that they are still booking
by the "Gaika" & that if the "Gaika"
does not go, another boat
will go in its place

The U.C. may be about to land
us in another difficulty about
3 days before the "Gaika" is due
to sail - but in the circ.
I think it wd be well to
leave things as they are - at least
that Mr Owen Philipps' alarmist
statement about no boats
after the "Briton" being available
was exaggerated.

If this is agreed to, we shd
tel. C.A. by telephone today.

This has arisen out of Sir O. Phillips
being told in G. Liddle that there would
be no boat at the end of October & that there
was no sign of the "Gaika" being out.

The fact of the matter is that the
U.C. of course is not to be
allowed the matter & as Governor has not
promised for shipping to be sent back early I
think we must depend on the assurance
the shipping companies have led to
a lot of work labour, but I cannot
be helped.

NOTICE TO THE SENDER OF THIS TELEGRAM.

This telegram will be accepted for transmission subject to the Telegraph Acts and Regulations made thereunder, and to the following Conditions:-

1. The charge for transmission will cover the cost of delivery from the usual Delivery Office:-

(a) If the address is within three miles from the usual Delivery Office, or within the limits of the Town Postal delivery of that Office (when it is a Head Post Office) if that delivery extends to more than three miles.

(b) If the Sender desires it to be forwarded by Post from the Terminal Telegraph Office and shall write the word "Post" before the Addressee's name, and at the end of the address the name of the Office at which the Telegram is to be posted.

2. The charge for delivery of this Telegram during ordinary office hours at any address beyond the limits of free delivery is at the rate of 1d. for each mile, reckoned from the limits of free delivery. Any charge that may be payable for a letter with any Telegram during office hours shall be reckoned as a letter. This charge will be payable by the Sender and should be paid in advance.

3. If the Sender desires this Telegram to be forwarded by Train from the Terminal Telegraph Office, he must write the word "Train" at the end of the address, and must pay the actual cost of the conveyance, if such cost be 2s. 6d. or more, or 1s. 6d. or more, if less.

4. The Sender may deposit a telegram not exceeding in length 48 words. In such a telegram a form of Pass will be attached to the telegram. The Pass will, within two months from its date, frank any Telegram not exceeding in length the number of words stated on such Pass. If the Pass be not used, its value will be paid to the sender of the original Telegram on application being made, within two months, to the Secretary, General Post Office, London, Dublin, or Mississippi, as the case may be. The Pass must accompany the application.

5. A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to do so, this security against the risk of error. The charge for repetition of a Telegram may be paid when the Telegram is handed in, or one-half the charge for transmission, any fraction of a farthing shall be being reckoned as 1d. If containing mercantile quotations or other words Telegram cannot always be repeated.

6. The Postmaster-General will not be liable for any loss or damage which may be incurred or sustained by reason or on account of any mistake or accident in the transmission or delivery of a Telegram.

7. All applications respecting this Telegram must be made within three months from the date of its transmission.
