When the despatch of a ~~single~~ ^{copy} was sent he had not received the necessary (qualified) approval of the ^{of the} ~~of the~~ Council of organization being located in the common charge office (32073).

Para: 3 of the memo. in 33617 provides that non-effective charges (as well as pay) shall be borne on the C.C.A.

Sir,

I have the honour to acknowledge the receipt of your despatch No. 464 of the 5th of July regarding the liability of this Protectorate for the pension to be granted to the widow of Driver A. H. Watts, late of the East Africa Mechanical Transport.

2. I would refer to your Confidential despatch of the 8th of June and the correspondence enclosed therein, in which it is argued that the incidence of pay and allowances of non-combatant units which have been raised in East Africa should not fall upon the Protectorate. I have not yet been notified of any decision in this matter but if the argument is maintained it appears to apply equally to the pensions in respect of these units.

3. Such pensions as these have in the past been debited to the Common Charges Account.

I have the honour to be,

Sir,

Your humble, obedient servant,

Alonzo Bayard
