(Signed) H. J. READ

Mr Read.

With regard to Colonial Office letter No. 45742 of the 27th September relative to the new premises for the Uganda Railway Publicity Offices the question has arisen as to who is to sign the lease - Mr Longworth or ourselves.

2) Mr Longworth would rather we did, and seeing that we pay the rent, and generally control the offices we are inclined to think that we as Agents for East Africa and the Uganda Railway should be lessees of the premises.

Mr Butler.

I agree when the present offices were taken Mr Longworth received a lump sum, out of which he had to pay rent. Now he receives a salary, & the rent is separate, so that there is no point in his signing the lease
