LEIPZIG MISSION

Reports live stock sold by custodian of enemy property. Prior to outbreak of war Africa Inland Mission was negotiating for purchase of stations but a settlement made and no action will be taken pending instructions.

Leipzig  
As all the missionaries were deported (15435) it was probably best to dispose of the livestock as they be half. Otherwise the chances are that the animals would have died a speedy death.

32793, which was held up with 22500, is still a. s. o., but probably I had to wait until a general clearance was sent out as to the missionaries & missionaries after the war.

Dear Butler,

Thank you for your letter of the 18th inst. with reference to the Leipzig Mission in East Africa. What you write shows that, as I expected, the position is quite satisfactory.

I am,

Yours very sincerely,
