CISAL INDUSTRY.

Request authority to communicate contents of 8/8 despatches 25th June and 22nd Sept to director of Agriculture for information of planters.

Mr. Reed.

also 60301

Apart from the request for the Gov's views in the earlier despatch, these despatches were enclosed copies of

- (1) copy of Mr. Reed's Retention Planning - 28929/16
- (2) Their letter (39292) of 16 Aug. & Mr. Butler's memo: attached to that paper
- (3) Mr. Hendley's letter & enclosure in 43063.

The composite shows clearly the importance of improving the quality of British S.A. seed, and from that point of view it is all to the good that planters should know the facts.

Mr. Butler's memo: was not, I think, prepared for outside consumption, but its substance could be easily & thoroughly

Reply that the substance of  
the <sup>papers</sup> ~~contents~~ enclosed in our two  
pamphlets may be communicated  
to planters but that the S. M.  
does not consider it advisable that  
the documents themselves should  
be communicated.
