The Under Secretary of State,
Colonial Office,
LONDON, S.W.

Dear Sir,

In reply to your letter of the 30th ultimo, we beg to state that, as far as we are able to discover, the consignment of roses in question were despatched by S.S. 'Burgermeister', sailing from London on the 18th of March, 1914. The consignee was Mr. W. E. D. Knight of Limoru, British East Africa, and the boxes in question were taken out by Mr. John Scott, a client of Messrs. Newland, Tarlton and Co.

We regret we are unable to give more detailed information, and thank you for the trouble you have taken in the matter.

Yours faithfully,

THE COOPER LABORATORY FOR ECONOMIC RESEARCH.

W. S. H.
