18. Statement, if the circumstances warrant it, that the Applicant has discharged his duties with diligence and ability, to the satisfaction of the Head Officer or Officers of his Department, to be signed by any two of such Head Officers, if there shall be more than one, or by such Head Officers, if there shall be but one, together with such a statement as will exhibit the merit, and value, and labor of the services of the Person recommended, extending as long a period of his public service as can be authentically stated, and observations as to Special Services, Suspensions, Reprimands, &c. with full particulars of any injuries received or damages or other claims or matters for consideration.

On looking through Mr. S. I. Mwa's personal file, I find he has been most favorably reported on by the late Col. George S. G. by Mr. Archibald (late 2nd W.A.A. Paymaster).

My personal estimation of him has always been of the highest order. He was a most willing and efficient man and his retirement has been a great loss to this office.
