Sir

I have the honour to  
acknowledge the receipt of your  
despatch No 362 of the 2<sup>nd</sup> of Aug  
and to inform you that I approve  
of the active ~~part~~ <sup>part</sup> in  
connection with the  
discovery of continuous  
intrigue among the  
Small Residents of  
Naval Islands,  
of the deportation and  
the E. A. Order Council  
of 1902, of the Small  
High Order Islands  
and Islands

INCLOSURE //

I Frederick Geary Hamilton, District  
Commissioner, Nairobi, do hereby and say:-

Haji Arsha Mohamed Hafif Jall, Aden  
Madoba, and his brother Mohamed Warsame, who is  
also his business partner and acts for him when  
he is absent from Nairobi, are persons who by  
their intrigues during the year 1916 have caused  
a state of unrest among the Somali residents here  
unprecedented in my experience.

(2) That reputable members of all sections  
individually and collectively are unanimously  
convinced that Arsha Mohamed, more particularly,  
is the author of this state of affairs, and  
emphasise the fact that both of them are the most  
active agents among the Aden Madoba, who are  
strong supporters of the "Al Nuzhah", and keep in  
close touch with others of their section who are  
intimately concerned, in Aden, Harard and elsewhere,  
with the furtherance of this plan.

It is the opinion of these members every reason  
to believe that their removal from Nairobi would  
restore peace among the local Somali population,  
and that a curtailment of their disloyal activities  
is desirable.

Sd/- F. G. Hamilton  
District Commissioner.

SWORN at NAIROBI this 12th day of February 1917.

I, William Kinnister Notley,

Commissioner of Police, East Africa Protectorate,  
Make oath and say:-

(1) That since the return of Haji Arsha Mohamed, Habr Taaljaale, Aden Madoba, Rer Hassan Aden, to British East Africa and Nairobi at the latter end of 1915 "fetina" amongst Somali resident in Nairobi has increased abnormally and after careful enquiry I am satisfied that the aforementioned Arsha Mohamed and his brother Mohamed Warsana, who acts chiefly as his agent, are responsible.

(2) That the sub-tribe and section to which the aforementioned Haji Mohamed and Mohamed Warsana belong are recognised followers of the Mad Mullah and these two men have been closely connected with his known supporters to several of whom they are related.

(3) I believe that so long as they are permitted to remain in East Africa they will continue to be dangerous to the peace and good order amongst the Somali population.

3. Sir Henry Belfield, with the advice of His Executive Council, accordingly ordered that these two Somalis be deported from the Protectorate, under the East Africa Order-in-Council 1902, and arrangements were made with His Majesty's Commissioner for them to be received in British Somaliland, of which country they are natives.

4. The necessary warrants of arrest, detention and deportation were signed by Sir Henry Belfield on the 20th day of March 1917, and on the 14th day of May, they were transported to Aden on board the Steamship 'Worsley Hall'. Thence they were forwarded to Berbera by the Political Resident, Aden.

5. The action taken with regard to these Somalis was a precautionary measure only, no actual disturbance having taken place, and has I believe prevented considerable faction-trouble amongst the Somalis in "airobi which, in the opinion of the witnesses, must inevitably have ensued had they been permitted to remain longer in this Protectorate.

6. I have the honour to report the deportation of these Somalis as required by section 25 (6) of the East Africa Order-in-Council 1902.

I have the honour to be,  
Sir,  
Your humble, obedient servant,
