

I kept this for 26096 to be added to the file.

Miss Scott's more shortened circ.^s date from the date (unknown) of her other son's marriage. Unless we are to enquire as to the date, Nov. 29 is a good a starting point as any other.

WCS. 17.2.17

She will no doubt raise the question if there is a big gap between dates (1) & (2).

Sir,

In reply to your letter dated 20th December, 1916,
regarding the mother of the late Trooper Charles Scott, East

appears that Mrs. Scott is now wholly dependent upon the award

given as pension, if awarded by this Office, would equal the amount
of pre-mobilization support received from the soldier, within a
maximum of 10/- weekly.

I am,

Sir,

Your obedient Servant,

W. A. T. Williams

For the Assistant Financial Secretary.
