Mr. Robinson, *Retormer*  
I am unable to follow the calculation, but if we referred it to the M.P.C. they would very probably reply that it depends upon <sup>likely income with</sup> present earnings or some similar data which we have not and the Military Pensions Commr. Retormer (who no doubt deals with thousands of cases) had when he made his recommendation

? tel. to O.A.S. that award of alternative pension as recommended is approved (if we do not tel. he probably will do so on receipt)
