The mother called to see me today,
she said Mr Harris had offered up the
possibility of a ^{quarter of unemployment} ~~reduction~~, when she said
been last year. I said I was sure
she was under a misapprehension

& read her the first part of Mr Harris'

Memorandum 32194

most politely

I told her it was simply waste of her
time & mine for her to come & ask
for ~~part~~ an appli for her son - & she went
away in disgust.

I am writing to you
in the hope that you may
be able to make some ^{use} of my
services in any part of the
Colonie you may think fit.
I am the eldest son of Col.
Hume Huxford Esq.
P.M.P. I have my two
brothers and my father
two brothers not to mention
many other relations and

all in the service. My Grandfather
served under Lord Probert
in the African war & was
the General Commanding
a Regiment when he died.
My Grandfather served
in the Sicily under Lord

I mention Lord Probert
in a letter to Lord Halifax

I had done good service
in E. Africa -

Wolfe.
I myself was for several
years in the E. Indies
when I ultimately was appointed
Deputy Inspector General
of the said Islands & was
Inspector General of the
for the whole of the
Colony.

I unfortunately got into
debt & had to leave
the office and retired
for a short period to
the said Inspector General
Office under Mr. W. Lucas
but I was not
Satisfied with the
of gold mining &

Africa -
I may mention when I got to
the Police I was only twenty
or a year of age &
had paid already for my
mistake - I wish to make
ask you if you would be
so very kind to make it
possible for me join a Police
off. force in br. Africa where
my knowledge of Police work
and ~~some~~ languages
(Amharic, Somali & Swahili)
might be of some use in the
line of their when any English
or not to do something to help
the country would be well.

As with the national my previous
service had been for a
Chini REG-
SEP 04 some
service to my country?
I am a married man
but I am willing to go
and serve anywhere where
my service might be of
some use - I only suggest
Africa as I know that
Country well. I do not
sincerely hope for with do
what you can for me as
it is ten times to fail I can
be of no service to my country
in the need.
