VACANCIES FOR POLITICAL OFFICERS IN G.E.A.

Last previous Paper  
for  
42195  
Nyasa

States impossible for any more men to be seconded to G.E.A. at present.

*W. G. ... Sir P. Giddes*

1. Reiterate this telegram nor that from Nyasaland on 4/29/19 is very satisfactory. But not Sinclair has played up all right (see 42093/19).
2. Sir J. ... has sent up a statement which is very useful in showing the position as to Sec 2 Nyasaland officials sent to G.E.A. (a) vacancies in Sec 2 Nyasaland (b) second of Clerk ... of 2' bar who are recommended.

3. Nyasaland ... spoke to you about filling up vacancies of 'recorded' officers - you explained that we ought not to regard these civil officials as 'recorded' in the military sense -

*Handed to  
7th July 1919  
to Mr. ...

568 15th July Your telegram 10th July vacancies  
in German East Africa ? am reluctant to block promotion  
of administrative staff but ~~(are)~~ literally impossible  
to any more to be seconded at present our 4 district  
Commissioners seconded for district political officers  
very junior of their rank and if they are to be graded  
as permanently provincial Commissioners consider that  
senior men in my service should have opportunity of  
applying for appointments held by them I agree that  
these four appointments can continue being filled by  
officers from this administration either present occu-  
pants or senior applicants ~~xxxx~~ although my shorthanded-  
ness scarcely justifies it McClure on the way home in  
Gassan.
