*36. Mr. Edmund Harvey, — To ask the Secretary of State for the Colonies, whether he can state the approximate present population of the British East African protectorate, specifying the numbers of official and non-official white settlers, respectively, as well as the number of Indian settlers and of the Native population. [Thursday 16th April.]

18

Mr. J. Anderson.

I do not know what the question means by "official white settlers or Indian 'settlers'". Also the census figures are cross divided in the matter of females & children — so that we could only arrive at a hypothetical figure for adult males (see Mr. Reed's minute on $\frac{32134}{15}$).

? Reply.

The latest info I have is that after census of 1911. There were 3175 European inhabitants, of whom 428 were described as settler, free planters, farmers and gardeners. The number of
