*This seems about a quibble.
upon the matter (7/25/1919).
? Inform her that he is not eligible entitled
to claim the hon. rank for reasons given in W.O. letter*

BPC 294

In previous cases we have induced the two to grant Army rank specially after an Officer's retirement in order that he may have the privilege of retaining army rank.

It is not clear that Capt. Cresswell has arrived yet from E.A. but write to him at the Cape Town address, saying that two states as in that letter. (If the former the matter we can consider whether two may be urged to proceed as at A above)
