2. I do not see why East. is to bear  
the cost & not the C.C. etc.  
It is all part of war expenditure -  
If this view is taken we should refer  
back to W.O. & make them  
accept the charge for C.C. etc  
before writing to East.

One of the things that has been  
decided about war expenditure  
is that the "Uganda Reg. is not a  
Common organization". This charge  
must follow evidence of a  
to be borne by the East.

(2.)

With reference to your letter No. 22204/1919,  
20th May, 1919, relative to officers of the Uganda  
Army, I am commanded by the Army Council to request  
that they concur in Lord Milner's view that there  
is no case for the issue of a war gratuity but that some  
allowance might be issued. In view, however, of  
the small amount of kit which it was necessary to provide,  
I consider that any allowance issued should not exceed

It is presumed that your Department agree that  
these expenses should be charged to Protectorate funds and  
to the Common Charges Account or Army funds. I am to  
report that the Governor might be so informed.

I am,

Your obedient servant.
