REC 19 MAR 19

17th March, 1919.

Sir,

With reference to your letter No. 9002/19, dated 21st ultimo, regarding the eligibility of the widow of the late Lieutenant E. Landerton, of the Censor's Department, Fanga, East Africa Forces, for a pension, I am directed by the Minister of Pensions to request that you will be so good as to state whether influenza was prevalent amongst the persons with whom this Officer was associated in the course of his duties, as he was apparently living with his wife and presiding in his own home.

This information is required by the Medical advisers of this Department before an opinion on the case can be given.
