PUBLIC WORKS DEPARTMENT

STAFF VACANCIES

1919

27 MARCH

Public Works Department one Senior Architectural  
Draftsman thorough experience in reputable Architects  
Office necessary.

Mr. Calder

According to the Staff of the two

Senior Architects' draughtsmen are J.M. Andrew

& Maxwell we do not seem to have been

latter's list, which dates from 1917,

for only recently I think it would be

to check up on them has report is

of the list of names of the staff and

of the list of names of the staff and

of the list of names of the staff and

of the list of names of the staff and

of the list of names of the staff and

of the list of names of the staff and

of the list of names of the staff and

of the list of names of the staff and

Dear Sir

15<sup>th</sup> April 1919

Gentlemen,

Agents

With ref to the letter from

this Dept No 7083 of the 11th of

March, I am to inform you that  
the views of the Commission are  
in favour of the first of

the proposals submitted  
and I am to inform you that

you are a firm  
and I am to inform you that  
should have had through  
experience as a reputable architect
