REC 5 APR 19

Sir,

I am directed by the Minister of Pensions to acknowledge the receipt of your letter No. 8967/18/19 dated 21st February relative to the case of ex-Staff Sergeant F.M. Storm, late of the East Africa Pay Corps, who was invalided on the 14th October 1918 for Jacksonian Epilepsy and to whom a Final gratuity of £75 plus £22.10. for rank has been awarded. In reply, I am to acquaint you with the information of the Secretary of State for the Pensions, that the Medical Branch of His Majesty's Army has been consulted and have expressed their opinion on the description of Mr. Storm's condition on the Army Form A. 179 as being due to Epilepsy from genuine Epilepsy, and not due to any of the injuries received in France, and that the disability was to or aggravated by the service. It is added that the disability is assessed at 30%, but that it is not possible to present whether the disability will be assessed at a higher rate if the circumstances the award of the gratuity would have been at the rate of the ordinary rate of 3/3. In making this award of gratuity into account the disability from your letter, has been taken into account. The practice of the Department will be to deduct the sum of 1/8 a week from the gratuity paid has been refunded.
