

Mr. Parkinson

No reply has come to our telegram.  
 Mr. Olson called again this morning. He has  
 to appear in Court on Thursday to answer a  
 summons unless he can produce £14 before then,  
 as he is unable to do so. I tried to get further  
 (could not get any further business open  
 today) that if nothing was in the way 3 o'clock  
 I would bring the matter up and would like to  
 know the result by telephone this afternoon.  
 It seems useless to remind the Gov. and it is  
 now for decision whether a further advance  
 can be given to enable him to pay the £14.

27.5.19

No further advance can be made.  
 The minimum service to qualify  
 for free passage to England is  
 20 months (preference) + 20 months  
 (for a 2nd. man). Mr Olson  
 did only about 4 months.

all  
 27.5.19  
 at once

How tall  
 Mr. Olson the  
 telephone  
 number to come  
 up in the morning  
 4/27  
 Has not in  
 mind, all  
 can be  
 done.

Dear Sir

With reference to my service in  
Sims in British East Africa quoting  
number 1585/1917.

joined the Sims in 1914 and had to give  
my contract in British East Africa, which  
was sent out for. After arriving in Africa  
my family and myself.

was discharged from the Sims through no  
fault of my own, and left stranded with my  
family and had to find money to come back  
to England with no home to go into, as I  
did not when I sailed for Africa.

They sent me £78 for family & myself to come  
to England, I am still in that debt and  
waiting for a New Home.

It has been given to understand that I can  
not claim in for my expenses home which  
is £78, as it was now fault of my own.

have been the glosser of much more as I had  
got another home when arriving back  
England.  
I still under the Doctor for the  
with I have in my body, which I got  
it was in the Temple

I am  
Yours Obedient
