Capt. Parkinson,

Capt. Palmer saw no after having been

traged (manet) 11/19/19. He is going to some

at food etc and wants his commission terminated soon. We
might talk for the 12th July. He does not want to be

(1) considered for a Lt. 2nd Lt., nor for permanent commission, so

(2) that action proposed in your memo may be cancelled

(3) His reason for his gratuity to be paid before he goes abroad

next week 1902/19, shows that he served 1st class. He then
with non-commissioned rank. he is shown in the list as a Staff

I have the honour to attach a recommendation from Lt. Col. H. P. V. Dunbury, R. of O. Royal Scots for a permanent Commission in the regular forces. I would draw the attention of the Private Secretary to the Secretary of State for the Colonies, to a reference his No. 1282³/1909 of 2/5/19 and the interview he had with me 4/6/19. I should be grateful if this enclosure could then be forwarded to the Military Secretary, War Office, in compliance with his No. 19100 & (MS 4.6) of 14/6/19.
