Mr. Macklin Mr. Carr <sup>Attest</sup>

we have not got actual evidence but  
Mr. Payne covered for 20 months  
though we have evidence that  
he was serving in May 1917, and  
was demobilised in Jan. Dec 30th 1918  
So I think we might assume that  
he is entitled to the free passage  
(as he arrived in England in the 30th of March)  
I tell C.A. to a date of 30th of March  
after 30th of Sept. & note the  
name in W.O. list. As regards  
his journey to England, I think  
think the best thing is to

It is a rather doubtful case as he has not got a proper  
exchange certificate or the usual slip saying he is  
entitled to free passage. He was employed in recruiting  
duties in GEA after his release in 1945. It  
therefore is possible that his name was on the  
honorary list. I think it might be safe to say  
that if he is entitled to free passage.
