Major ~~Patterson~~ W. K. ...
I spoke to you about this case ...
to Mr. Bottomley, who told me to ...
minute and tell Mr. Perse (who called) ...
that his case would be full ...

Mr. Perse has never been a resident ...
in EA and his scheme of building a ...
hotel is a new enterprise ...
new settlements have been referred ...
but recommendations have been ...
in case where the development of ...
a new industry, notable ...
example, has been ...

like the influx of new settlers into East
Africa there is bound to be a demand
for hotel accommodation, but I am not
in a position to say whether the present
hotel accommodation in Nairobi is
a ^{great} ~~large~~ ^{adequate} ~~adequate~~ - I think we should make certain of
things first before we recommend

(1) that a hotel with a ^{large} ~~large~~ ^{number of} ~~number of~~ ^{rooms} ~~rooms~~ ^{is} ~~is~~ ^{needed} ~~needed~~ ^{for} ~~for~~ ^{the} ~~the~~ ^{accommodation} ~~accommodation ^{of} ~~of~~ ^{settlers} ~~settlers~~ ^{and} ~~and~~ ^{other} ~~other ^{visitors} ~~visitors~~ ^{to} ~~to~~ ^{the} ~~the~~ ^{country} ~~country~~~~~~

(2) that labour and material will be
available for the building of the
hotel

and that the necessary
capital is available

and that the Government is willing
to provide the necessary accommodation

and that the Government is willing
to provide the necessary accommodation

and that the Government is willing
to provide the necessary accommodation

I should turn down the application -
even if a hotel were wanted
for the "road" but I cannot see,
it is ridiculous to suppose
that Mr. Perce could get
me going in time for this
morning.

In fact, there are 2 reasonable
business hotels in Garrison
the "New Yorker" and 2 others
not so good. It is only when there
is no other accommodation
to go on with and even if
Mr. Perce went out now, it wd
be ages before the accommodation
was increased.

Let them register
with a "New Yorker" for an
advance passage.

owing to the rains - so that unless I can get
out now almost immediately, I should have
trouble to make my arrangements before the
winter season sets in, and that would prevent
any further starting operations in the field.
I wish these were always in operation that a
change could be made in the capital & money
of the state and within both the
application will be better served, particularly
