MEMORIAL TABLET TO MEMBERS OF "SPORTS CLUB WHO HAVE
FALLEN IN THE WAR"

Requests information as to rank and unit of officers
named.

Mr. Robinson.

Lieut. H.C. Hopton belonged to the East African
Transport Corps.

Mr. T.H. Drake belonged to Bowker's Mounted
Infantry, rank unknown.

Mr. N.M. Gibbs was a Trooper in the E.A. Mounted
Rifles.

Mr. W.K. Maturin was an Assist. Superintendent of
Police in Uganda, and we do not know definitely whether
he was attached to a military unit, and, if so, with
what rank.

Give the Sports Club such information as we
have already and tell them that we are asking the E.A.P.
Local authorities for the remainder, and telegraph to
O.A.G. accordingly.

Ames!

I am fairly sure that Mr Drake (who
was in my home at school) was a
Trooper. It is supposed
to be a Trooper.
