Mr. Robinson

No reference is made to our letter on 56999/18, but as Mr. Freeborn says that our first letter to the Committee was sent to him by mistake and does not give the date at which he forwarded it, possibly they had not received it when this letter was written. However this meets our requirement.

Note ref 4412 and say that a letter has been rec'd from the Committee saying that as he has not reported to them that he requires further treatment they have left the matter in abeyance, but that he is aware that all he now do is to

Above named man has not reported to us again
that he requires any further treatment, as have left the
matter in doeyanta. He knows that he, if he travels away
again, has simply to apply to us.

Yours truly,

John Wilson
