Dear Sir,

I beg to refer to my letter of the 18th current, copy of which I enclose, in which I ask whether the Colonial Office would be good enough to give instructions to the Government printers of the East African Protectorate to send to this Chamber a copy of all Ordinances promulgated in the Legislature. I cannot trace having received a reply to this communication and I shall be grateful if you will kindly inform me whether the Colonial Office can perform this service or if not, to whom the Chamber should address itself with a view to obtaining the Ordinances required. You will note that in my letter I enquire whether the order could be transmitted by telegram at our expense.

Yours faithfully,
