S.W. 24. W. official letter to the Colonial Office
Secretary will be kind enough to receive

Dear Mr. Bottomley, variation on the question of Mimosas

I have sent you official letter to the Colonial Office asking if the United Tanners' Federation, Mr. Densham is a Deputation from East Africa via Colombo and East Africa. Mr. Densham will authority on behalf of Tanners East Africa. The late President of the Federation which has recently left the country to go to the Cape, and while there he was in East Africa in this country to get the Mimosas industry. Mimosas Park industry about the middle of of freight from Mombasa to the Cape. An Mimosas Park there is such a heavy burden on the Mimosas Park as 220/- that the particular commission of the Mimosas Park is concerned with Mimosas Park. I have to make allowing Mr. Densham to proceed to the Cape when the Mimosas from the Cape is 185/- per ton. This difference of 20/- is charged. This difference of 20/- is charged. The East African business should be taken to be at a normal level of price. The Colonial Office is at a normal level of price. The Colonial Office is at a normal level of price. rupee difficulty creates great trouble, and it would

We feel that every possible step should be taken to bring to the notice of the authorities the importance of developing the East African Mimosas industry. It would be very helpful if a personal interview with the Colonial Secretary could be granted. I should be very grateful for any help which you could offer on this matter.

Yours truly,
