He is well known here, but although he is not a good working man, Mr. Morris regards him as qualified for a minor office.

We can only say that he will continue to be considered.

He is not 40, I am rather inclined to shake off the last score - but he has been out for some years, no opportunity has occurred since of his re-employment.

Application for Appointment in Forestry
or Agricultural Departments in Colonies

The
Under Secretary of State
Colonial Office
London

Sir,

I beg to apply for a post
in West Africa, or one of the other
Colonies in some capacity connected
with Forestry or Tropical Agriculture
and I may state that I have had
about twelve years experience in the
Government Service, which I resigned
I have taken up private work since I
should like to get another appointment
under the Colonial Office if you can
make use of my services I am

As a widower, no children, and am
prepared to go to any place that you
may have a vacancy.

I enclose a letter from the Hon^{ble}
Mr. A. C. Macdonald, Director of
Agriculture & Cash Home Protection
under whom I worked as Plant Inspector
in the islands of Java, Malacca, & Ceylon
growing the rubber, and many other
products, and I have had in the
Foresty Bureau in the Cash Home
Protection for whom I held a certificate
from the Dept of Agriculture & Forests
(N.S.W.) in connection with the
Director of Agriculture.

Trusting you will be able to give
me a permanent position.

Yours faithfully,
W. H. Seed
