his liability, Mr. B. [unclear]
I think we should reply in the usual letter informing him of the rules re relinquishment on being found fit, & request that no objection can be made in his case. We might add that if however his case put before h. of P. for reasons as to eligibility for disability compensation, we will do so however I do not think that is much point in doing this unless he asks for it in view of 17th of 1919.

ref 54501/1919 of 28th Nov. 1919

I beg to acknowledge receipt of the above letter containing instructions as to relinquishing my appointment in the East Africa Force, for which I thank you.

In a previous letter sent to you in reply to your ^{MA} 54549/19 of 25th Aug. I asked that a passage should be taken for me on or after March 1st, which you confirmed in your 54501/19 of 27th Sept. I asked for the extension for the reasons of health. I would point out that had in East Africa two very serious illnesses, in 1918 and 1919, which were caused entirely through active service in

that country during a stay of 15 years
South Africa I never had an illness
of any sort. I did not therefore consider
that a vacation from the end of May to
October 1st was sufficient to bring my
health up to the standard it was when
I enlisted in the South African Forces,
and on that account I asked for
extension until March 1st. and I thought
that my pay would continue until arrival
in South Africa

My health is not as
good as it was previous to sailing and
I am without an income except
what I have saved. I would respectfully
ask that my pay and allowance, or
a thereof should be continued until
at least, the date of sailing for South
Africa or alternatively that a gratuity
should be granted to me to provide for
myment of expenses during that time.
I would like to point out also that I dissolved
partnership, in which I was making a
good living in order to go to the front,
and consequently on arrival in South
Africa I will have to start afresh.

I have to live and provide a home
in England for 3 months or more, it will
considerably deplete my savings.

I beg to submit
this for your consideration.

I have the honour to be

Sir

Your obedient servant
