Does not wish to return to Africa because of health. Requests gratuity, however he paid some in England and is proceeding to New Zealand shortly. Requests M.A. report on health.

Capt Jackson

(1) Reinquishment

Please see 33425/19. He was last

certainly upset Capt B's phrase I think that now

we might tell him that he would be required to

return home as from 1st <sup>Sept</sup> ~~August~~ (i.e. having the leave

he would have had if he had been returning 1/9)

(2) Med. Report

I see no harm in giving him the certificate

of the M.A. report A 33425/19

(3) Gratuity + Wa B 3000

We can take 4000 (including 2000)

reinquishment and making for him 3000 and gratuity 1000

telling Capt B we have done so and that Capt B's own

4000 + 2000 will be deducted from gratuity.

So proceed as proposed at 12.0.19

Mr. Bellamy

1. Date of assignment seems to be  
quite arbitrary - I left well  
as a concern?
2. I see up by going train  
as substituted of the report.
3. It is all unreasonable to require  
them pay for the fuel, but  
as we do not in many cases  
when a man's case requires  
early settlement, it is  
to get right pay.

The office name is in the 10.6 as having  
been first covered in 10.6 from 1.12.14 after speaking  
to you I authorized an advance of £100 on the gratuity due  
to him he required it for arrangement of passage to NZ.

Yours etc. etc. specially

I in reply to your letter of  
June I beg to state that I  
will not be able to return to East  
Africa, I may say on purely  
medical grounds, as my own Doctor  
thinks that I should not return  
at present on account of my health.

Then being so caused my gratuity  
& War Bonus (Sanctioned as from  
15<sup>th</sup> Oct 17) be paid to me on  
Side? <sup>2</sup>

I may say in accordance to  
instructions in a letter from you  
8<sup>th</sup> May. I presented my self for  
Medical Examination to Col  
but have received no report as to  
the condition of my health. Can  
be given to me?

If information has to be received  
from East Africa as to what  
Gratuity & Bonus are due to me  
can the information be cable  
(at my expense) as I am desirous

getting things fixed up as soon  
possible as I want to leave the  
country as early as possible as I  
go to New Zealand.

I shall be glad to hear  
from you as soon as possible.  
Awaiting your anticipation

I am, Sir

I am to read the report of  
 your letter of the 2<sup>nd</sup> July & to  
 inform you that in the course of  
 my visit we regard to clean fresh  
 and lamp common in the old  
 supply looks as how the staff  
 September next included

The first of the last year  
 which I did for the water becoming  
 to attend to the two corners of  
 second & third of

and the last of the year  
 I am to add that the staff  
 as the result of the year  
 he found the already had the staff  
 in the working but that in the  
 to show that there is a change for the staff
