Mr W. P. [unclear], I understand an

Officer at the C.A. Office

I tell Mr Bennett his letter has been

referred to us, and say that we have no records of his

son having served in the C.A. local forces, and

him to ^{full} state his son's exact military service with

date, giving exact rank etc, so that we will

be able to make further investigation.

I propose in my next letter personally to let

him that we are taking up the matter with Mr Bennett

at subsequent Paper.

Dear Mackay,

I can't gather from the
Enclosed whether the writer
son C. K. Brunell was 151
in the E. af. service but I
was under the impression
that he went into E. af.
with the S. af. Contingent.
Can you advise? & are

the facts as stated?

They hardly sound probable.

Yours

J. W. P.
