Makes appln for —

Wm Edwards 8/21/18
his family.

We have no ^{official} record of his service, but it is probably on the parchment cert sent him in our letter of 12.1.17, in 1809 (1/17) — I think that in the first instance we might tell him that we have no official record of his services from which his gratuity can be calculated, that if he will forward to this Dept. parchment cert referred to above, or any other official document showing his record of service in R. A. any gratuity from which he may be eligible will be assessed & paid without delay to the R. A. Govt.

The Under Secretary of State
for The Colonies

P. Parsons 262

As you remember as I was
discharged from East African Nations
(Protectorate force) on Nov 1st 1896 as
a result of gunshot wound in
the left knee I served with that
force from 5th August 1894 but so far
I have heard no word of gratuity money
for service and can only assume this
has been overlooked.

Kindly let me know what you
are doing in the matter.

I beg to remain

Yours truly

Arthur Black
Late R. N. G. East Africa Regt (Madras)
