LEAVE AND COMPENSATION FOR ILLNESS

Considers he is entitled to some full pay leave if it is thought he is not entitled to compensation for illness desires Medical Board to ascertain extent of incapacitation.

Mr Robinson

reply that he has been on leave with full pay at British Army rates since his departure from ~~the~~ office that as he has already been informed he is not entitled to compensation in respect of illness and that he has been reported fit by the M.A. the question of a incapacitation does not appear to arise

Ref. Para 3 same letter I
would like to point out that
dangerous illness which I
contracted on active service
East Africa, has also been
found to be a permanent
barrier to my health & service
capacity, if the Colonial
Office do not consider that
I am entitled to any compensation.

not to be examined by
medical board to ensure
to the success of my
operation

I am to acknowledge the rest of your letter of the 23rd of Jan., on the point set out with reference to your statement that you consider that you have earned a period of full pay leave, that you have been in leave with full pay at British Army rates since your departure from Africa.

2. As you have been already informed, you are not entitled to compensation in respect of your illness.

3. With regard to your request to be examined by a Medical Board I am to point out that as you have been

referred to the M.A. to the Dept. of the Post Office to be examined and the question of your being transported does not appear to be raised.
