Dear Captain Harris,

I think Macaughten has spoken to you about my suggestion that while Major Berington is away you should take his place as the military member of the East African Land Settlement Selection Board. I should have written to you also before but I have been so busy.

I now enclose a letter which is addressed to Major Berington, enclosing the latest series of the scheme, which we hope will get out in a few days.

If you are willing to help a little when Berington comes back, will you please sign it as addressed to you?

Yours very truly,

W. K. Harris, Esq., etc.

Dear Mr. Pittman,

I send you herewith the official reply to your letter
of the 28th and I trust you will be satisfied with the
answer. I have been very busy since the 28th and
am sorry that I cannot give you a more detailed
reply at this time. I am in place of a further
meeting which will be held on the 10th of
the month and I shall have to attend to
my duties at that time. I shall be glad to
hear from you again when you have had a chance
to write.

The meeting is being held on Thursday
the 10th of January (Wednesday) at 3:30 p.m. in
the afternoon. Please let me know today. I have had
no time to write to you since the 28th and I am
sorry that I cannot give you a more detailed
reply at this time.

Yours sincerely,

3rd June, 1919.

Sir,

With reference to Mr. Grindle's confidential communication of May 31st No. 2003/19, I have the honour to inform you that I have consulted Sir N. McMillan on the subject of the latest revised statement of conditions of the East Africa Protectorate Land Settlement Scheme.

We are of opinion that there are still certain particulars in which the statement could be improved by amendment or by explanation, and we therefore recommend either that a further preliminary meeting of the Board be held before publication of the scheme, or that Sir N. McMillan and I should have an

with Mr. Bottenley.

Yours very truly,

Your obedient Servant,
