He says that he would be ready to
go out after the New Year about my doubt again
in January it is so something to be done
the course during his last term no difficulty
arises as to the service he would now have
The man who is at present taking the course
will probably go out at about the same time
as it would obviously be unfair to then if
in the event of their going out a few weeks
later than Dr. Solomon, they should not
give a letter to them. I think a letter
then but in order to guard against any
misunderstanding I think it would be better
to explain the matter in the usual way

early in January 1920 - course
of action to be considered during
his first leave - and for
the decision

Dear Sir,

In reply to your letter of the 27th of
Dec. and in answer to the 9th of
Jan. to which Mr. R. M. J. G. refers

at the Industrial School after
he had first proceeded to
East Africa a few weeks since
and by the time I had written
I had managed to depart
I am glad to see that
I received my salary in 5
which I should afford to
take.

At the same time I am
-willing to go out with
less security than I
might have expected.

the School, but otherwise in
some later session. as for the
late New departure

In accordance to the arrangements
selection would be confirmed, subject
to the board's approval as per the
minutes of the last meeting, & the persons
with the status of a member
leaving the school -
