Previous Paper

Memorandum reporting his arrival in U.S. on 12 Nov. and enclosing Certificate issued at Hornbillings District, No. 5 Durban station, that he is entitled to return passage on the "A.P.T."

Major General EAST Afr.

Dr. Mackie

Mr. Smith called on him to  
discuss what he could do for Germany  
in 1917 - March 1919 with the following  
details: Cabo, to which he was trans-  
ferred from the 2<sup>nd</sup> Rhodesian Regt.,  
having been promoted to Captain for  
having distinguished himself for  
27 months.

Smith spoke to him about  
trading for gold so he went from Rhodesia  
to Asia. There he has done 12  
months with the S.A.L.F. and  
been given his passage home. He  
arrived at a place in China

to S.A. so I hardly see how we

do anything else

I am sure can be booked  
to S.A.  
by passage to the first available  
steamer after Jan 1<sup>st</sup> 1920 &  
should be section S.O.'s  
certificate keeping a copy

here.

25. Nov. 9<sup>th</sup>

and as you know

the mail is now

now in quadruplicate  
also the seal that you sent  
was not valid

as also the one in the book.

so it is necessary to intercept  
mail as it was required to

get another

probably when you get it slightly in Rhodesian  
the complete bundle is then sent. Result not following  
the second part of that we... I agree to the passenger

for the people to whom I gave it (I am not in the know).  
but I do not know if they have got it. Rhodesian, has  
been advised to do the same, except he has  
not. I think that it would be a good idea to do so.  
The S.A. authorities can't have acted otherwise.

and I think we are committed to buying a passage.

? proceed as proposed by Mr. Marshall

to withhold a passage may be

and cause a flat refusal which

is what I fear will happen

unless you can get some other

way out of it. I am sending
