I also handle this with
the greatest diffidence, as
I have had no instruction
from Mr. Bottomley & have
nothing to do with money
in the ordinary course.

But a far as I can

Dear Mr. Parkinson

I have examined the
specimens in the posts of computers. I think
Staff Surveyor & last junior Staff Surveyor
& not my recommendation here to
Consultants: - Messrs Walker, Cressy & Burns
are the only suitable candidates & I have placed
them in order of merit.

Junior Staff Surveyor: - Mr. Wilson is the
only candidate who is suitable. Mr. Todd
is no means suitable.

Next Junior Staff Surveyor: - Messrs
Willis, Sargy & Mason are suitable.
The rest are not.

I enclose it names of applicants
sent to me by Mr. Bottomley, none of the
names suggested in posts as computers appear
to be worth trying. If more last junior Surveyor
are sent it would be desirable to suggest
the new provisions Act. One of the examined
I handed the papers into Miss Potter

he will hand them over to you ^{on request}
