REG. 21 JAN 19

I beg to acknowledge receipt of your letter
of 18th inst. for which I thank you
for relinquishing my commission I was
commissioned in the British Army & posted
to the Royal Scots, with which regiment I
have since served in France, & been wounded
in the leg being sent to hospital.

As the regiment have received no
instructions it is likely to leave my
commitments considerably for some while
and so not see any likelihood of my
returning to East Africa within
many months of being demobilised
unless I can see your way to grant me a
capital sum, & in view of these
circumstances I should be greatly obliged
if you will also forward me a
payment of the same amount of

I have the honour to be,
