Gratuity

Claims should be paid at 13/6 per day (not 11/6)

~~is~~ ~~Particular~~

Minute in 31489/19 was written after perusing the W.C. in view of the letter I have seen of the case then and was told that the person who spoke to me before did not know what he was talking about.

Regret the case on our letter in 31489/19 will aptly that C.A. has been authorized to award the gratuity at 13/6 per day.

(1) I have never been the recipient
of a check from CA as far as I am
aware. It must have got lost.

(2) The point raised in a newspaper
article by So. Calif. is that for
rather a long time a few such
checks as they do not receive
interest at public expense
when we pay them 10% a day for
hotel expenses, we do not exactly
provide them with training at
public expense but I agree
that it is not the right to
give both the 10% for hotel
expenses & the ~~10%~~ daily
allowance simultaneously.

These are an av. basis

We sent a minute to Mr Mackay on the 22nd May last regarding Capt W H Hollis late in Intelligence Dept (Gen ref 20032/1919), who was granted 10 of a day in respect of hotel expenses incurred at Bombay & who has now claimed ration allowance in addition, but we have not yet had a reply. The point is whether an officer in receipt of pay at British Army rates is entitled to both these allowances for the same period. Can you let us have a reply as soon as possible please.
