Mrs. Haslehurst has just undergone a severe operation and as she has not yet recovered her strength I consider it imperative that she should take a nurse to assist her during her journey to British East Africa.

Dr J

I am directed by the Secretary of State for the Colonies to acknowledge

the receipt of your letter of the 8th of Aug. and to inform you that
we have engaged the Union-Castle Mail Steamship Company and the
British India Steam Navigation Company to place

Mrs. Alexander Scott

in their priority lists with a view to a passage to East Africa being
granted to her as soon as accommodation is available. In
view of the large number of names already on the priority lists, it
may require time before she can sail.

As soon as either of the Shipping Companies allots

to her the other Company should be informed that accommodation is no
longer required.

Yours very sincerely,
I am etc.

Your obedient servant,

W. O. READ.
