The Colonial Office.

I
From your 25029/19 of 8th inst. I note that I am
to appear before a further medical board in the latter
part of August.

I have the honour to inform you that my doctor

negotiations with other shipowners with the object of procuring
 a ship capable of carrying two or three thousand tons, but as
 the owner has declined to take any more I
 shall be glad to give permission to embark on the hope
 that if it were impossible to arrange a charter, you
 will - shall have to decide almost at once, I shall be very
 glad to receive your telegraphic reply.

You will understand that I make the request sure
 because it is thought that a new vessel will hasten an
 improvement in the condition of the fleet.
