Free Return Passage

Requests. Encloses copy G.R.O. showing services as nursing sister.

Major Paterson

Judging by his decision on Mrs. Sharp's case ^{2nd class} Mrs. Inglis would be eligible for free passages to & from England if she had done 20 months service [a V.A.D. presumably does what work as if a nurse?] - but the R.C.M.C. orders which she has seen to show that she has done 2 months in all

- (1) 8 1/2 months 11.11.17 - 10.5.18
 - (2) 13 months 13.2.18 - 26.3.19
- (Memo AN 15/M 520669)

But they do not make it absolutely clear that she was not serving between her resignation on G.R.O. 727 of 23.9.17 and 12.2.18, in the interim the memo dated 15.2.18 seems to show that she was serving at that time on

So I think we must ask the local
 authorities for a statement of the
 date exact length of the course
 as a number of the E.A. Nursing Service
 (V.A.D. or otherwise) - and hope to
 hear again from her as she does not
 give her address

? copy of her English letter to
 Gov, asking for an exact statement
 as at A & explaining that
 the Gov's which she quotes do
 not show this clearly

2. why in minutes? Do nurses
 count as this? and is that
 the reason for a class (nurses)?

As this has been delayed, I think we should ask the Gov to call particulars of service, or at least total length of service of your wife -

As regards class of passage, I see from Miss Lombard's letter that she has ^{to be} been given a first class ocean passage - but of course, she was a nurse and with a V.A.D.; on the other hand, I imagine that V.A.D.'s in S. Africa were probably ^{as nurses,} working under the same conditions, and in any case it seems only fair that they should be given 1st class passages -

Please see Mr. Inglis letter to Sir H.
head attached. Inglis was a V.A.D. in 2A.
It was decided that as a V.A.D. he should
be treated as a hon. comm. and appear
for the period of his service in 2A was
12 months (21 1/2 months?) we should ask
you by telegram for his total service.
I think there is very little doubt that
you will have particulars from which
he will be able to calculate his ^{full} pension
which this will be at least the necessary
24 months, but we have not got the necessary
details here. ? Draft for comm. H.W.H.

Dear Sir Herbert-

I have just ^{received} a note from
Colonial Office about
passage to S.A. - I am
sorry to bother you so
much, but do you think
there is any doubt about
getting a passage -
wording of the letter
was as if there was a
small amount
is rather important as
as I am extremely, because
you know, passages are

highlyfully expressions now.

I feel I ought not to bother
you like this - & I hope

you will accept my apology
for doing so.

Yours sincerely
