States Master of Mint reports that it will not be practicable for him to undertake the required coinage during the next few months. In circles it may be preferred to instruct the C.A. to arrange with Birmingham Mint or the King's Norton Metal Coy. Returns enclosures to C.O. letter.

Mr. Poyner.

I see from CA/978 Nig. that you have divided your 1914 order between the Bham & King's Norton, & I take it that from the point of view of our fitting in with you, there is no reason to prefer one to the other.

Subject to your order I should propose to ask C.A. to call for tenders from both.

Then so proceed, asking for tenders for each denomination separately?
