2nd despatch. 19. 19 March. 1915.

Mr. Read

I had prepared this on 8/11/06 (£375,000 loan series) - on which I submitted a report.

If as I hope to find that we do not commit the Treasury on the details of this loan, approved as must avoid consulting them & the case accordingly submit to the approving and let the Treasury inform them. If they state they ought to be consulted the point will be brought to the head.
