Note with satisfaction that suggestion that they should proceed to E.A.P. has been opposed. They would form most undesirable addition to population and their presence would be deeply resented by the European community.

I have the honour to acknowledge with thanks the receipt of your Secret despatch of February 23 1915 enclosing copy of correspondence with the Foreign Office on the subject of Jewish refugees.

2. I note with satisfaction that you have seen fit to oppose the suggestion. Persons of this description would be a most undesirable addition to our population, and their presence would be deeply resented by the European community.

I have the honour to be,

Sir,

Your most obedient humble servant,

Alway Bejard

GOVERNOR.

THE RIGHT HONOURABLE

LEWIS HARGREAVES, M.P.,
