GOVERNMENT HOUSE
NAIROBI, (K. 12/15)
BRITISH EAST AFRICA

March 31st 1915

Sir,

I have the honour to report that His Excellency the Governor of Italian Somaliland arrived in Mombasa last week from Europe, and remained here for four days awaiting the local steamer to Kismayu.

2. In the course of the usual interchange of official visits, and during opportunities afforded to me of extending hospitality to him, we had a series of conversations regarding matters of common interest to the two countries. His Excellency was pleased to exhibit the utmost cordiality, and assured me that he would spare no effort to co-operate with this Government to our mutual advantage.

3. I believe that this fortunate meeting was productive of a mutual regard, and I am satisfied that the solution of any questions which may have to be discussed locally in the future will be facilitated by the existence of a personal friendship between us.

I have the honour to be,

Sir,

Your humble, obedient servant,
