Mr B. Stanley
As the port of arrival is unknown, I do not know whether it is for us or for H.O. to keep in touch with the shipping Co with a view to ascertaining the port at the earliest possible moment, but I should think we might leave it to H.O.

? Copy to H.O. They had the presumption that they will communicate with the U.C. Co with a view to ascertaining at the earliest possible moment the port in England at which the "Bladoverly Castle" will arrive.
